Priority PACS Members until 10th September
There after to non-members as well
PACS Members £16 per session
Non-members £22 per session if still available!
Places limited to 8 in The Back Class Room**

Additional Information:

Anyone attending life drawing (including Models) MUST be Fully Vaccinated!

Mask wearing is a personal preference entering and leaving the building or even though out the session if desired. Masks will not be provided so please bring your own.

I will require you to sign the register to say that you have had two doses of vaccine for Corona virus and that you or anyone who you may have been in contact with within fourteen days are not showing any signs of covid or have had a positive covid test.

As you would expect we will be guided by government restrictions if any are brought into effect regarding Covid.

The sessions will be tutored with safety in mind.

All participants will be required to bring their own paper and drawing materials.

There will be both Male and Female models.

The sessions will work well as a course or as individual sessions.

As there are very limited places I expect that these will go very fast. If you can not get in this winter please do not get disheartened. I hope to be doing a lot more next year and would love to hear from you and I am very happy to give advise at any time.

For more information about PACS and online booking with Paypal please go to the website: www.petersfieldartsandcrafts.org.uk

Life drawing sessions are organised and tutored by George Spear on behalf of Petersfield Arts and Crafts Society.

For Artlife life drawing sessions, information/bookings please contact George Spear through the PACS contact form.

About George Spear

I am a local artist living in Petersfield 14 years. I love watercolour and printing. I am a member of Ochre Print Studio.

I was Chair of Petersfield Arts and Crafts Society for three years. I have been organising workshops and life drawing since 2009 and teaching life drawing for 8 years. Many of my students have returned year on year. It gives me great pleasure to see artists succeed, progress and share their enjoyment in a discipline that I get so much out of myself and I hope that you will too.

Please Note: There are no refunds on bookings for PACS or Artlife sessions other than where a session has to be cancelled due to unforeseeable circumstances and an alternative date cannot be arranged.
